RE: JOHN DAY FISH HABITAT PROGRAM

ATTN: MARK WALKER, DIR OF PUBLIC AFFAIRS

IT HAS COME TO OUR ATTENTION THAT ODFW IS CONSIDERING DISCONTINUING "THE JOHN DAY FISH HABITAT ENHANCEMENT PROJECT".

AS PROPERTY OWNERS ON INDIAN CREEK, JOHN DAY, WE FEEL THIS WOULD BE A MISTAKE.

IT DOES NOT TAKE A SCIENTIFIC STUDY TO REALIZE THE GREAT IMPROVEMENT AND HEALTH, DO TO USING RIPARIAN EXCLOSURE FENCING.

PLEASE DO NOT EXCLUDE THE INDIVIDUAL, ORDINARY, TAX PAYING, PROPERTY OWNERS FROM THIS PROJECT, INITIATED BY BPA - DE A179-84 BP17460.

THE FISH HABITAT PROGRAM IS A VERY HABITAT ENHANCING PROGRAM. PLEASE DO NOT LET IT BE LOST DO TO BUREAUCRACY AND POLITICS.

THANK YOU,
