Director of Public Affairs
Northwest Power and Conservation Council
Re-Lapwai Creek 2002-070-00 & Big Canyon Creek 1999-015-00

Mr. Walker and Council Members:

I wish to take this opportunity to urge you to continue funding the Lapwai Creek and Big Canyon Creek projects conducted by the Nez Perce Soil and Water Conservation District. These projects are crucial to steelhead restoration, ground restoration activities and habitat restoration. They are successful projects that are making a difference for our community. They can only be continued with your support and are worthy of funding by your organization.

Thank you for your consideration.
