

**APPENDIX A
COLUMBIA RIVER COMMERCIAL FISHERY
STATISTICS, RUN SIZE ESTIMATES, AND
REDD AND DAMS COUNTS**

CONTENTS

| | <u>Page</u> |
|----------------------|-------------|
| List of Figures..... | A-ii |
| List of Tables..... | A-ix |
| Figures..... | A-1 |
| Tables..... | A-70 |

LIST OF FIGURES

| | <u>Page</u> |
|---|-------------|
| Figure A-1. Commercial landings of chinook salmon using hauling seines..... | A-1 |
| Figure A-2. Commercial landings of steelhead trout using hauling seines..... | A-1 |
| Figure A-3. Commercial landings of chinook salmon using traps..... | A-2 |
| Figure A-4. Commercial landings of steelhead trout using traps..... | A-2 |
| Figure A-5. Commercial landings of chinook salmon and steelhead using fish wheels..... | A-3 |
| Figure A-6. Same as above..... | A-3 |
| Figure A-7. Commercial landings of chinook salmon using drift gill nets..... | A-4 |
| Figure A-8. Commercial landings of steelhead trout using drift gill nets..... | A-4 |
| Figure A-9. Commercial landings of chinook salmon using set gill nets..... | A-5 |
| Figure A-10. Commercial landings of steelhead trout using set gill nets..... | A-5 |
| Figure A-11. Lower Columbia River landings of coho salmon..... | A-6 |
| Figure A-12. Lower Columbia River landings of chum salmon..... | A-6 |
| Figure A-13. Lower Columbia River landings of sockeye salmon..... | A-7 |
| Figure A-14. Lower Columbia River total landings of all salmonids..... | A-7 |
| Figure A-15. Counts of chinook salmon at Bonneville Dam (Year of initial service - 1938) (COE 1983)..... | A-8 |
| Figure A-16. Counts of steelhead trout at Bonneville Dam (Year of initial service - 1938)..... | A-8 |

| | <u>Page</u> |
|---|-------------|
| Figure A-17. Counts of sockeye salmon at Bonneville Dam (Year of initial service - 1938)..... | A-9 |
| Figure A-18. Counts of coho salmon at Bonneville Dam (Year of initial service - 1938)..... | A-9 |
| Figure A-19. Counts of chum salmon at Bonneville Dam (Year of initial service - 1938)..... | A-10 |
| Figure A-20. Counts of chinook salmon at The Dalles Dam (Year of initial service - 1957)..... | A-10 |
| Figure A-21. Counts of steelhead trout at The Dalles Dam (Year of initial service - 1957)..... | A-11 |
| Figure A-22. Counts of sockeye salmon at The Dalles Dam (Year of initial service - 1957)..... | A-11 |
| Figure A-23. Counts of coho salmon at The Dalles Dam (Year of initial service - 1957)..... | A-12 |
| Figure A-24. Counts of chinook salmon at John Day Dam (Year of initial service - 1968)..... | A-12 |
| Figure A-25. Counts of steelhead trout at John Day Dam (Year of initial service - 1968)..... | A-13 |
| Figure A-26. Counts of sockeye salmon at John Day Dam (Year of initial service - 1968)..... | A-13 |
| Figure A-27. Counts of coho salmon at John Day Dam (Year of initial service - 1968)..... | A-14 |
| Figure A-28. Counts of chinook salmon at McNary Dam (Year of initial service - 1953)..... | A-14 |
| Figure A-29. Counts of steelhead trout at McNary Dam (Year of initial service - 1953)..... | A-15 |
| Figure A-30. Redd counts of spring chinook in the Yakima River drainage..... | A-15 |
| Figure A-31. Redd counts of spring chinook in Methow River drainage..... | A-16 |

| | <u>Page</u> |
|--|-------------|
| Figure A-32. Redd counts of spring chinook in Entiat River drainage..... | A-16 |
| Figure A-33. Counts of chinook salmon at Lower Granite Dam (Year of initial service - 1975)..... | A-17 |
| Figure A-34. Counts of steelhead trout at Lower Granite Dam (Year of initial service - 1975)..... | A-17 |
| Figure A-35. Counts of sockeye salmon at Lower Granite Dam (Year of initial service - 1975)..... | A-18 |
| Figure A-36. Counts of coho salmon at Lower Granite Dam (Year of initial service - 1975)..... | A-18 |
| Figure A-37. Counts of chinook salmon at Little Goose Dam (Year of initial service - 1970)..... | A-19 |
| Figure A-38. Counts of steelhead trout at Little Goose Dam (Year of initial service - 1970)..... | A-19 |
| Figure A-39. Counts of sockeye salmon at Little Goose Dam (Year of initial service - 1970)..... | A-20 |
| Figure A-40. Counts of coho salmon at Little Goose Dam (Year of initial service - 1970)..... | A-20 |
| Figure A-41. Counts of chinook salmon at Ice Harbor Dam (Year of initial service - 1961)..... | A-21 |
| Figure A-42. Counts of steelhead trout at Ice Harbor Dam (Year of initial service - 1961)..... | A-21 |
| Figure A-43. Counts of sockeye salmon at Ice Harbor Dam (Year of initial service - 1961)..... | A-22 |
| Figure A-44. Counts of coho salmon at Ice Harbor Dam (Year of initial service - 1961)..... | A-22 |
| Figure A-45. Counts of chinook salmon at Lower Monumental Dam (Year of initial service - 1969)..... | A-23 |
| Figure A-46. Counts of steelhead trout at Lower Monumental Dam (Year of initial service - 1969)..... | A-23 |

| | <u>Page</u> |
|--|-------------|
| Figure A-47. Counts of sockeye salmon at Lower Monumental Dam (Year of initial service - 1969)..... | A-24 |
| Figure A-48. Counts of coho salmon at Lower Monumental Dam (Year of initial service - 1969)..... | A-24 |
| Figure A-49. Willamette falls adult spring chinook fish counts..... | A-25 |
| Figure A-50. Leaburg Dam adult spring chinook counts..... | A-25 |
| Figure A-51. North Fork Dam adult spring chinook counts..... | A-26 |
| Figure A-52. Cowlitz Hatchery spring chinook returns..... | A-26 |
| Figure A-53. Kalama and Lewis rivers spring chinook hatchery returns | A-27 |
| Figure A-54. Willamette Falls fall chinook escapement..... | A-27 |
| Figure A-55. Counts of late spawning chinook and redds in Trout and Gordon creeks - Sandy River..... | A-28 |
| Figure A-56. North Fork Lewis River wild fall chinook run size..... | A-28 |
| Figure A-57. East Fork Lewis River wild fall chinook run size..... | A-29 |
| Figure A-58. Cowlitz River wild fall chinook run size..... | A-29 |
| Figure A-59. Willamette Falls counts adult coho salmon..... | A-30 |
| Figure A-60. North Fork Dam (Clackamas River) coho salmon counts..... | A-30 |
| Figure A-61. Lower Columbia River coho spawning ground counts..... | A-31 |
| Figure A-62. Spawning ground counts of chum salmon in Lower Columbia River tributaries..... | A-31 |
| Figure A-63. Willamette Falls winter steelhead counts..... | A-32 |
| Figure A-64. Returns of winter steelhead to Eagle Creek National Hatchery..... | A-32 |
| Figure A-65. Adult winter steelhead counts at North Fork Dam Clackamas River..... | A-33 |

| | <u>Page</u> |
|--|-------------|
| Figure A-66. Marmot Dam winter steelhead counts - Sandy River..... | A-33 |
| Figure A-67. Numbers of summer steelhead counted at dams in the Willamette River system..... | A-34 |
| Figure A-68. Klickitat River spring chinook run size..... | A-34 |
| Figure A-69. Little White Salmon River spring chinook adult run size..... | A-35 |
| Figure A-70. Wind River spring chinook run size..... | A-35 |
| Figure A-71. Warmsprings River spring chinook redd counts..... | A-36 |
| Figure A-72. John Day Basin spring chinook average redds per mile..... | A-36 |
| Figure A-73. Deschutes River adult fall chinook run size..... | A-37 |
| Figure A-74. Powerdale Dam coho salmon counts - Hood River..... | A-37 |
| Figure A-75. Three Mile Dam adult summer steelhead counts..... | A-38 |
| Figure A-76. John Day Basin summer steelhead average redds per mile..... | A-38 |
| Figure A-77. Deschutes River wild summer steelhead counts..... | A-38 |
| Figure A-78. Powerdale Dam steelhead counts..... | A-39 |
| Figure A-79. Fifteenmile Creek winter steelhead counts (average redds per mile)..... | A-40 |
| Figure A-80. Willamette Falls spring and fall chinook counts..... | A-40 |
| Figure A-81. Rock Island Dam chinook and coho counts..... | A-41 |
| Figure A-82. Priest Rapids Dam spring and summer chinook counts..... | A-41 |
| Figure A-83. Yakima Basin spring chinook run size..... | A-42 |
| Figure A-84. Wenatchee River spring chinook run size..... | A-42 |
| Figure A-85. Entiat River spring chinook run size..... | A-43 |
| Figure A-86. Methow River spring chinook run size..... | A-43 |

| | <u>Page</u> | |

LIST OF TABLES

| | | <u>Page</u> |
|------------|---|-------------|
| Table A-1 | Columbia River commercial landings of chinook, sockeye, chum, and steelhead since 1866..... | A-70 |
| Table A-2 | Columbia River Indian commercial landings of salmon and steelhead above Bonneville Dam..... | A-74 |
| Table A-3 | Yearly totals of salmonid fish counted over Bonneville Dam..... | A-75 |
| Table A-4 | Yearly totals of salmonid fish counted over The Dalles Dam..... | A-77 |
| Table A-5 | Yearly totals of salmonid fish counted over John Day Dam..... | A-78 |
| Table A-6 | Yearly totals of salmonid fish counted over McNary Dam..... | A-79 |
| Table A-7 | Yearly totals of salmonid fish counted over Ice Harbor Dam..... | A-81 |
| Table A-8 | Yearly totals of salmonid fish counted over Lower Monumental Dam..... | A-82 |
| Table A-9 | Yearly totals of salmonid fish counted over Little Goose Dam..... | A-83 |
| Table A-10 | Yearly totals of salmonid fish counted over Lower Granite Dam..... | A-84 |
| Table A-11 | Yearly totals of salmonid fish counted over Priests Rapids Dam..... | A-85 |
| Table A-12 | Yearly totals of salmonid fish counted over Rock Island Dam..... | A-86 |
| Table A-13 | Yearly totals of salmonid fish counted over Rocky Reach Dam..... | A-88 |
| Table A-14 | Yearly totals of salmonid fish counted over Wells Dam..... | A-89 |

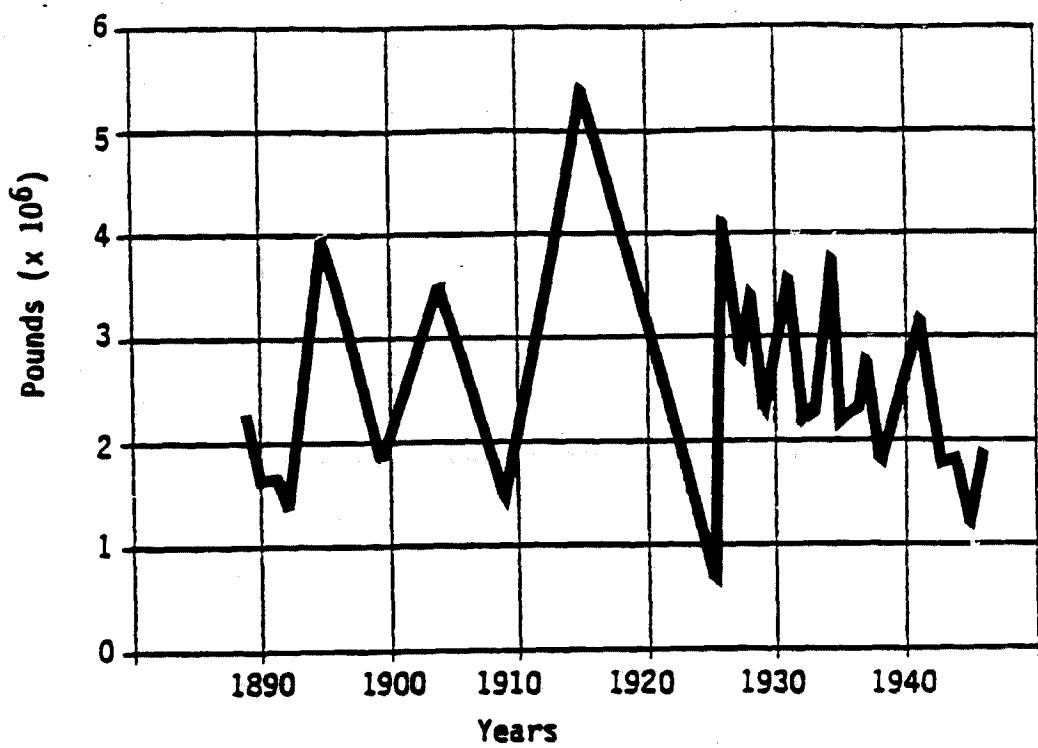

Figure A-1. Commercial landings of chinook salmon using hauling seines
(Craig and Hacker 1940; Johnson, Chapman, and Schonning 1948).

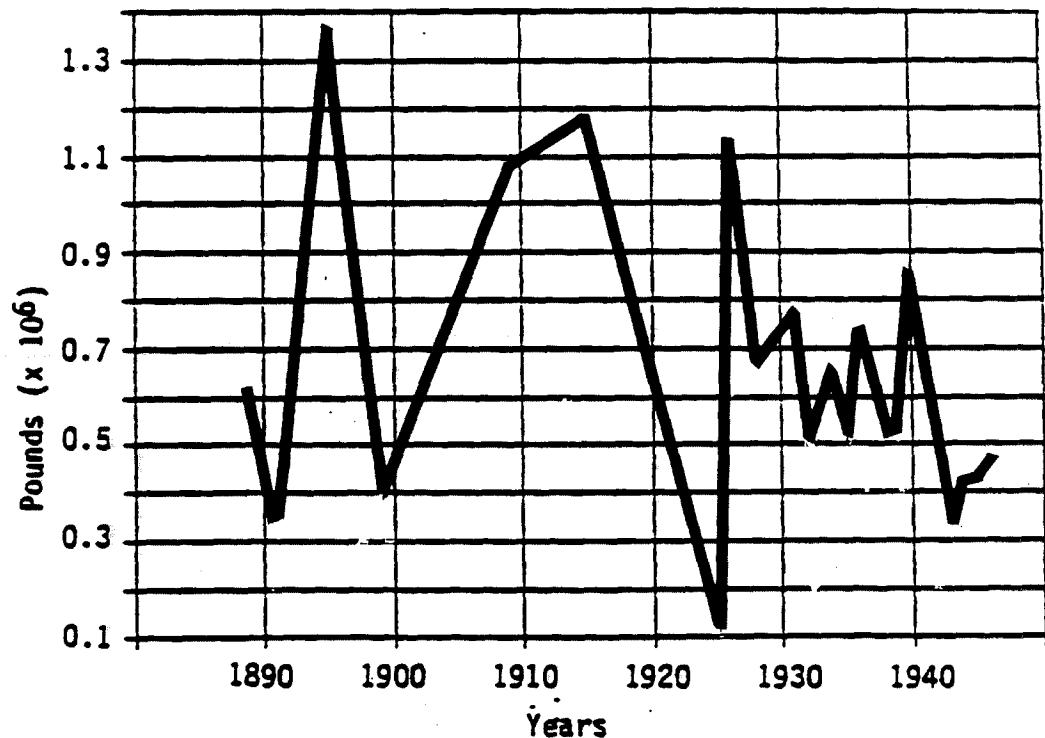

Figure A-2. Commercial landings of steelhead trout using hauling seines
(Craig and Hacker 1940; Johnson, Chapman, and Schonning 1948).

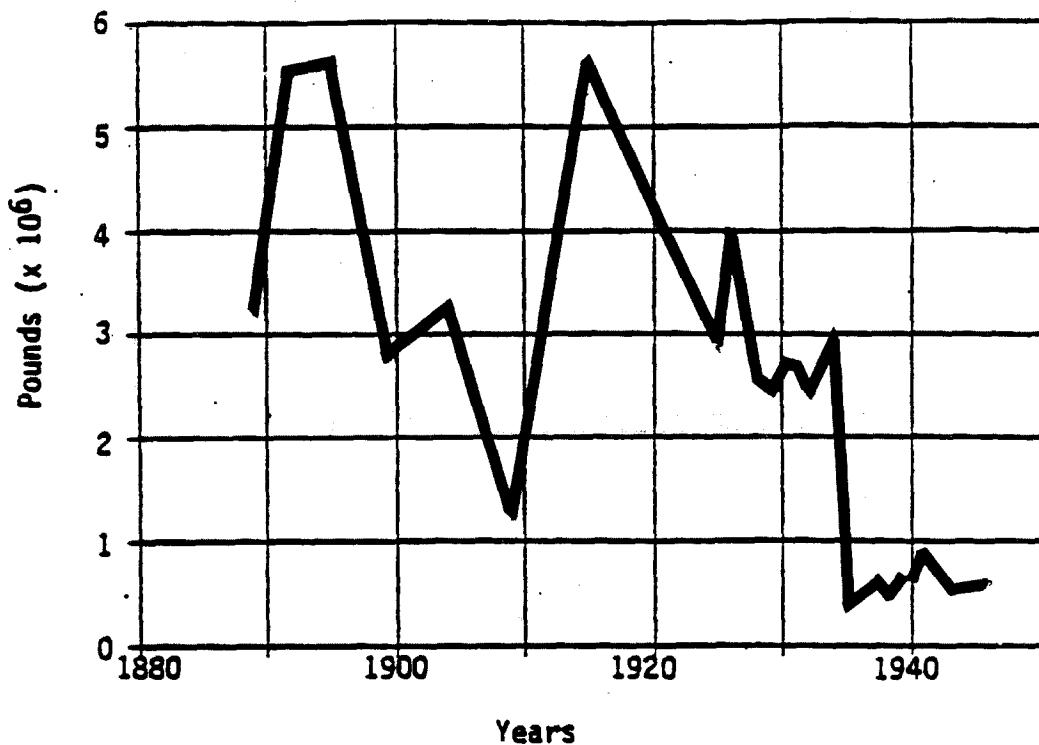

Figure A-3. Commercial landings of chinook salmon using traps (Craig and Hacker 1940; Johnson, Chapman, and Schonning 1948).

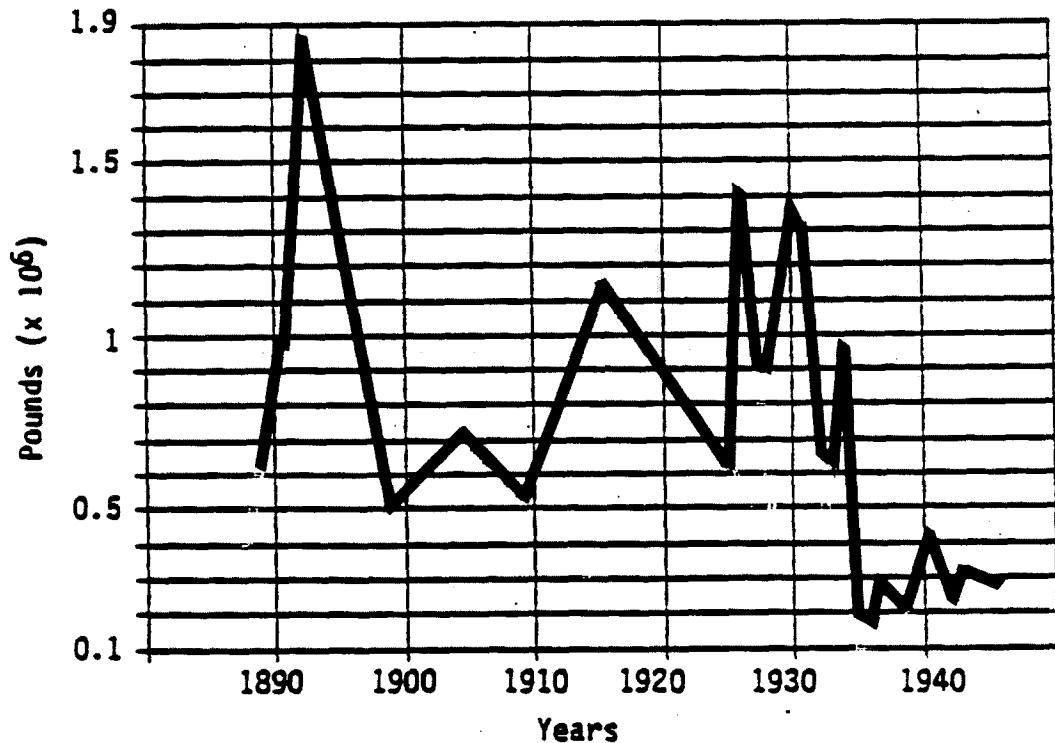

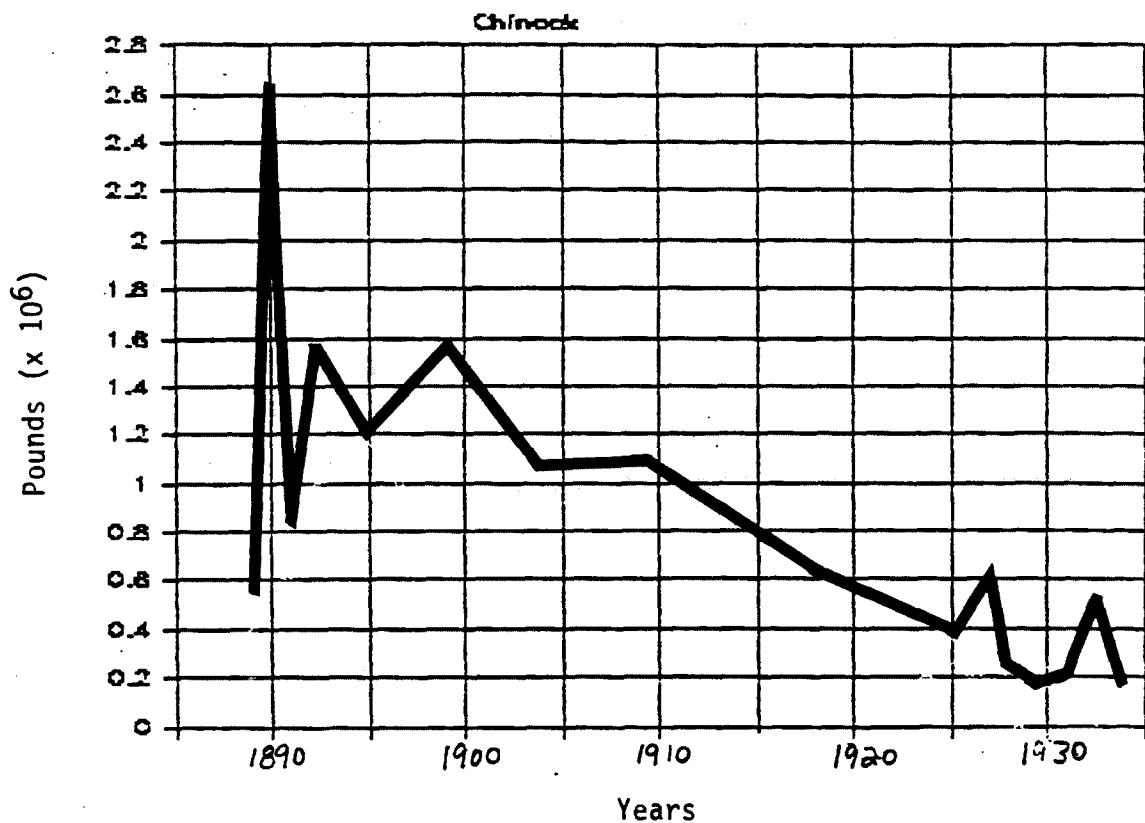

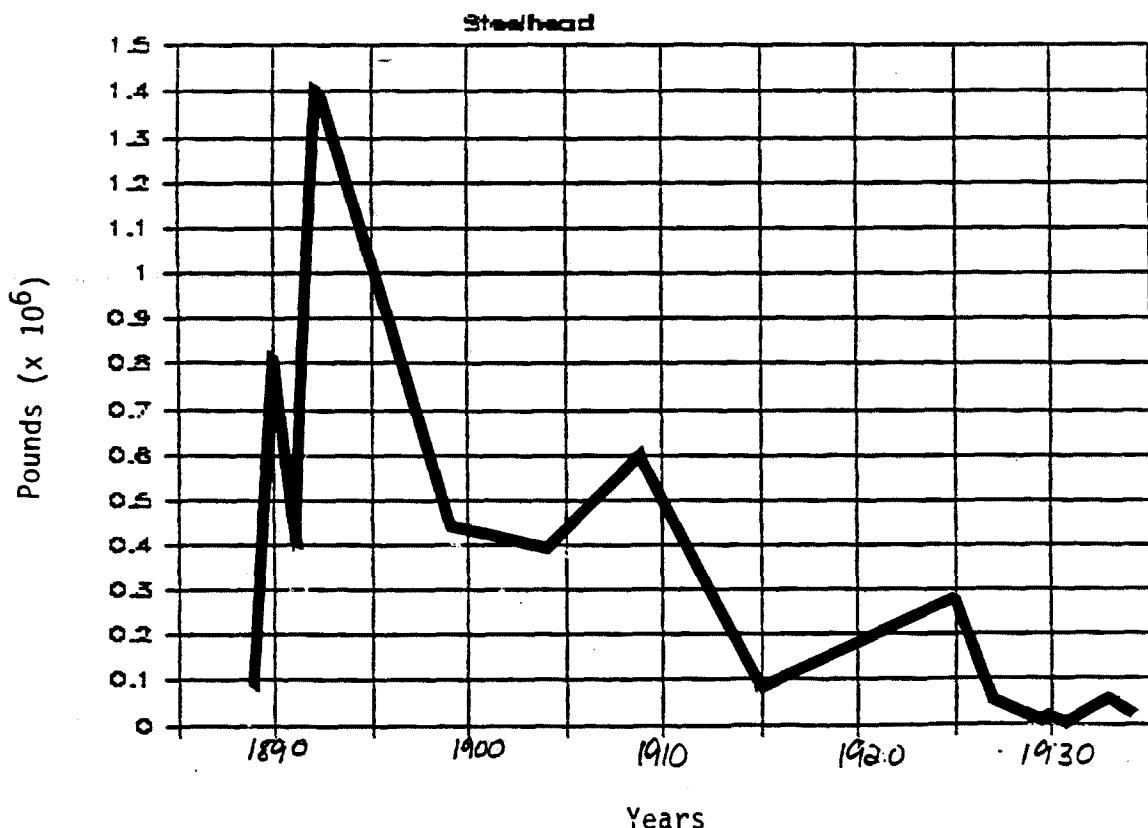

Figure A-4. Commercial landings of steelhead trout using traps (Craig and Hacker 1940; Johnson, Chapman, and Schonning 1948).

Figures A-5 & A-6. Commercial landings of chinook salmon and steelhead using fish wheels (Craig and Hacker 1940; Johnson, Chapman, and Schonning 1948).

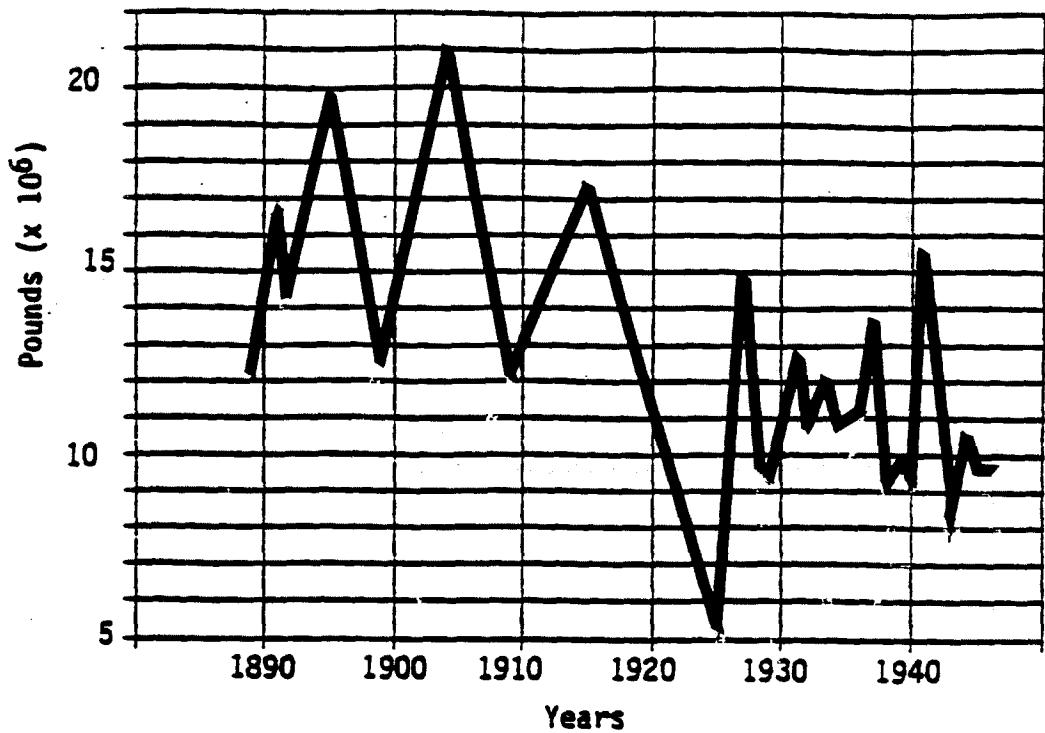

Figure A-7. Commercial landings of chinook salmon using drift gill nets (Craig and Hacker 1940; Johnson, Chapman, and Schonina 1948).

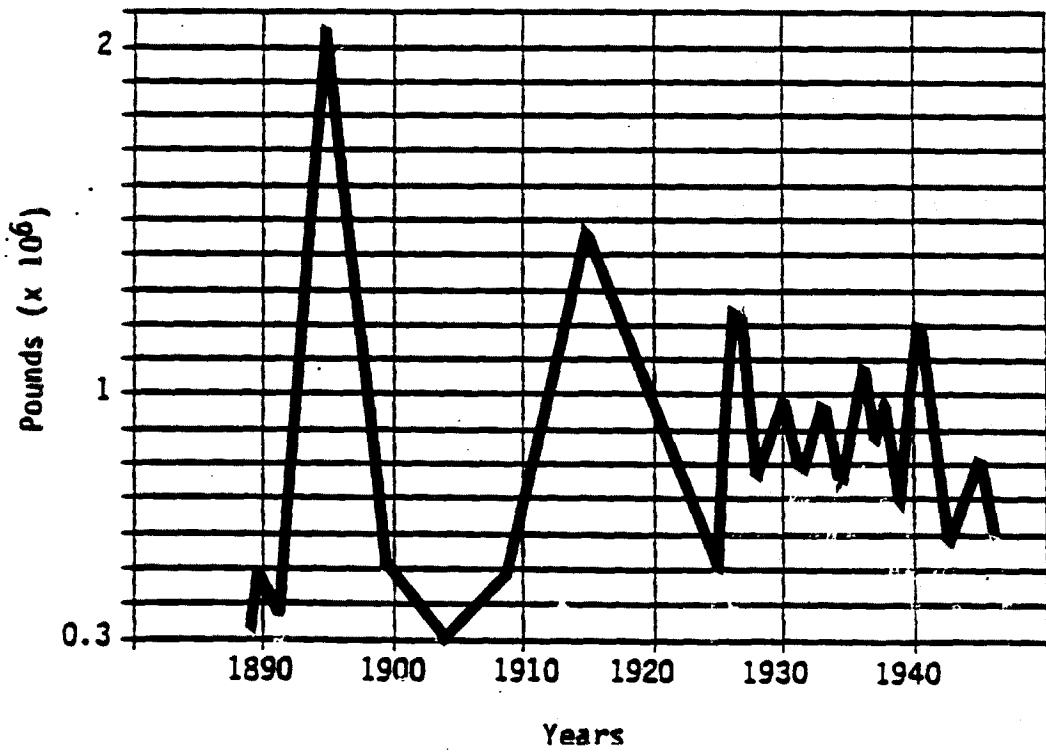

Figure A-8. Commercial landings of steelhead trout using drift gill nets (Craig and Hacker 1940; Johnson, Chapman, and Schonina 1948).

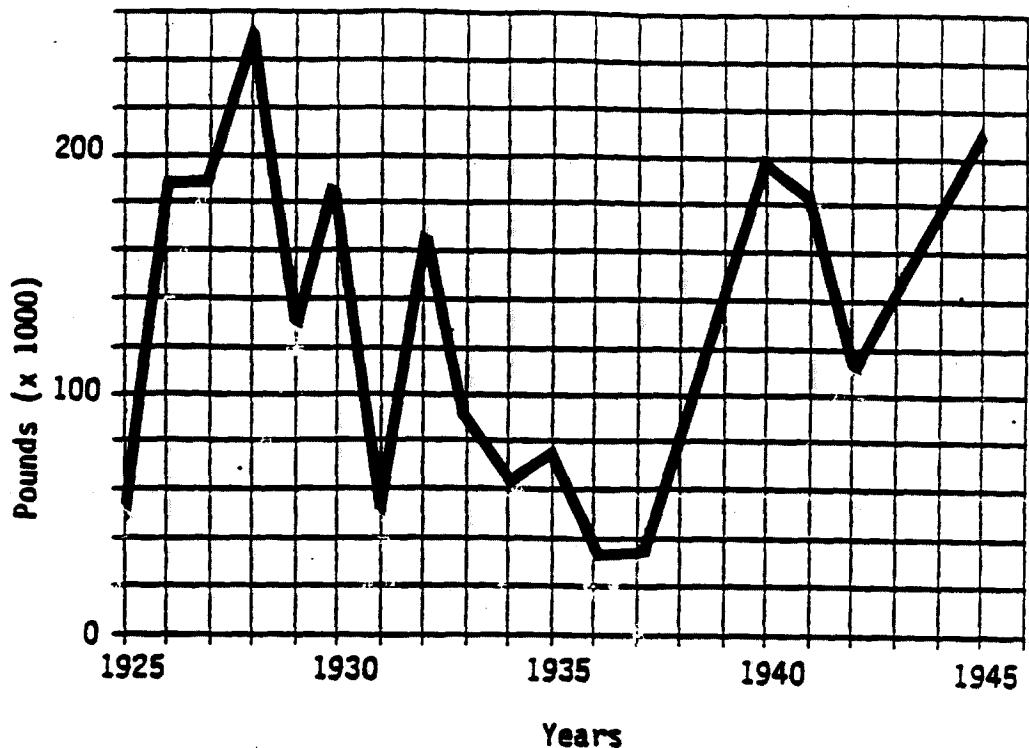

Figure A-9. Commercial landings of chinook salmon using set gill nets (Craig and Hacker 1940; Johnson, Chapman, and Schonning 1948).

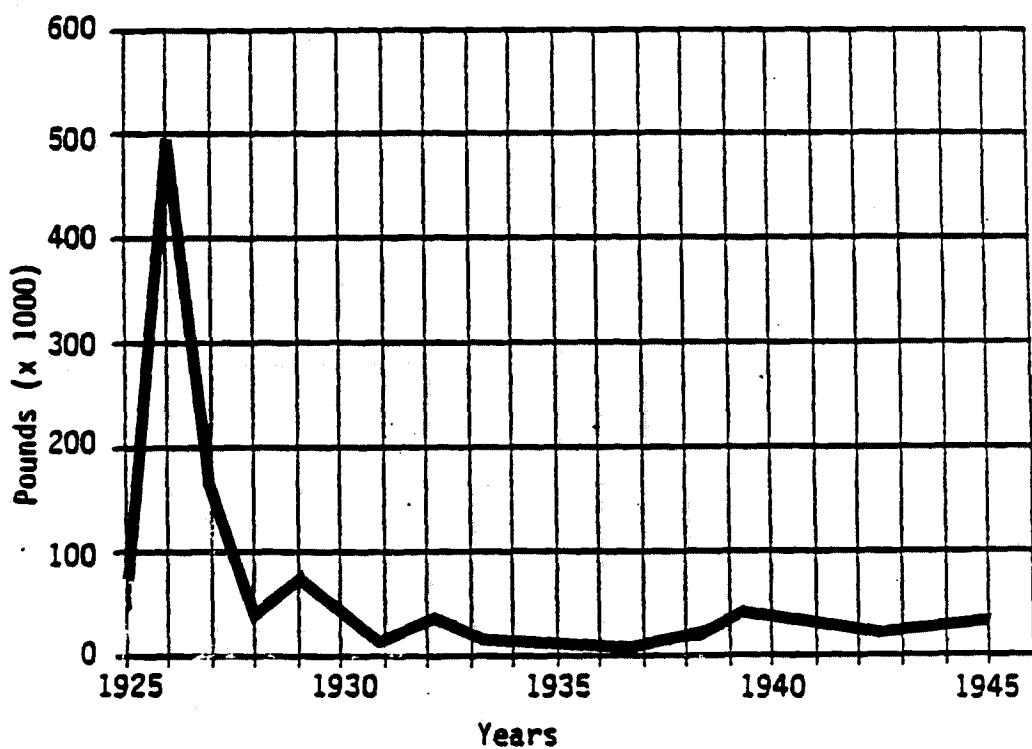

Figure A-10. Commercial landings of steelhead trout using set gill nets (Craig and Hacker 1940; Johnson, Chapman, and Schonning 1948).

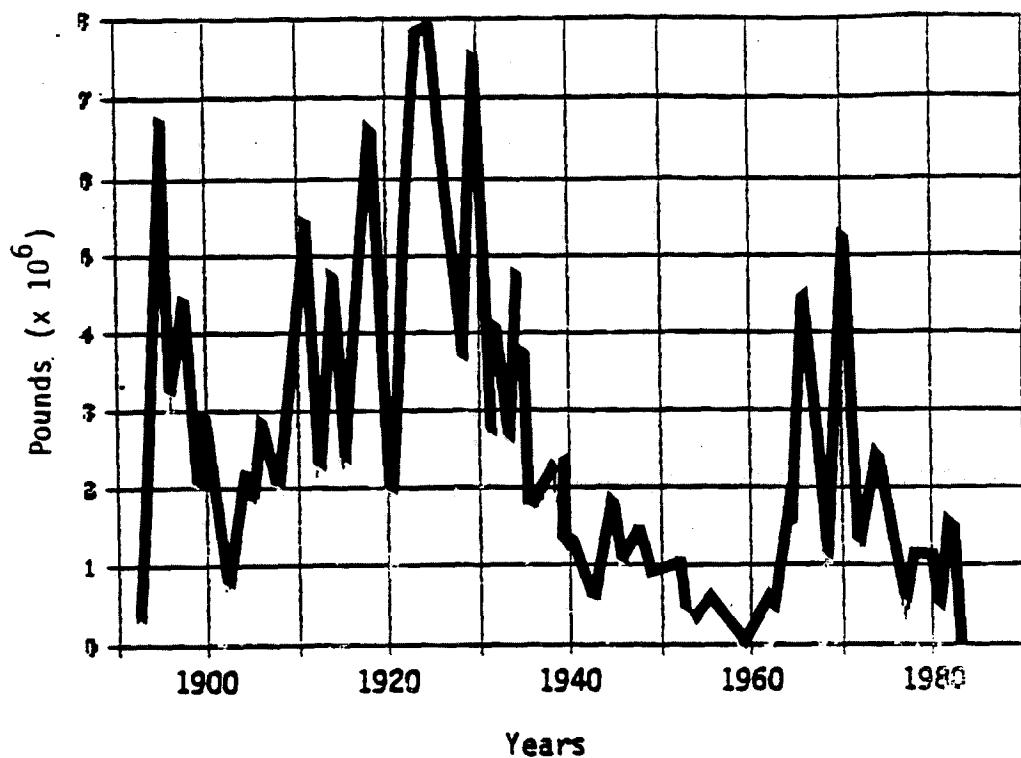

Figure A-11. Lower Columbia River landings of coho salmon (Beiningen 1976a; ODFW 1984a).

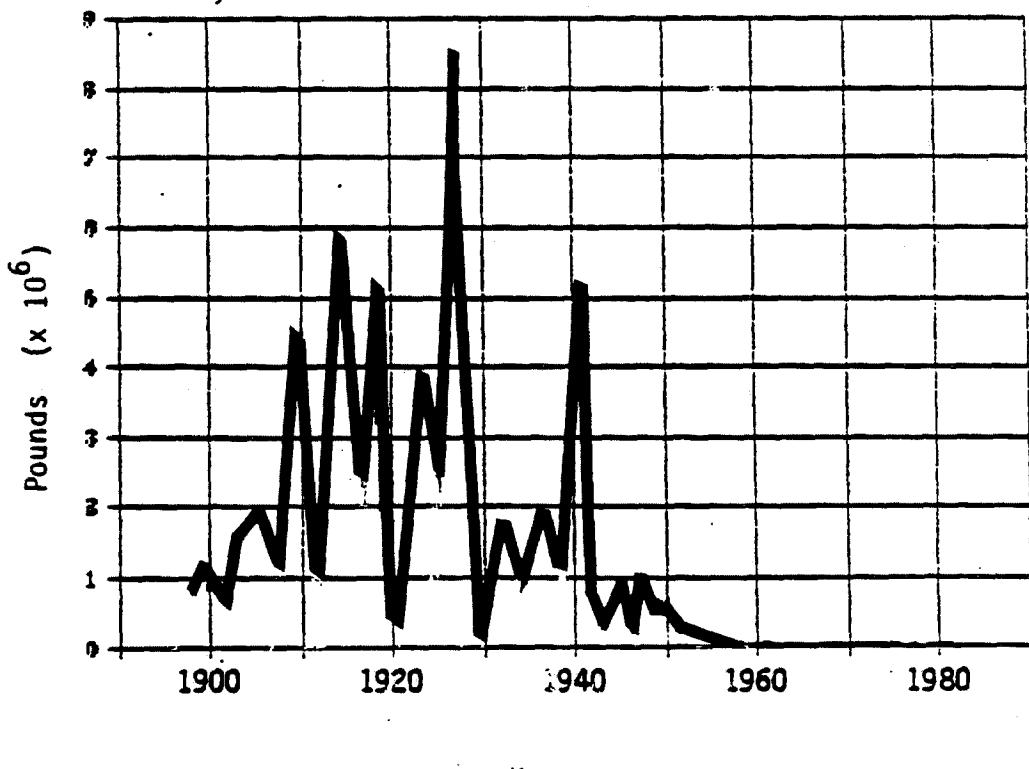

Figure A-12. Lower Columbia River landings of chum salmon (Beiningen 1976a; ODFW 1984a).

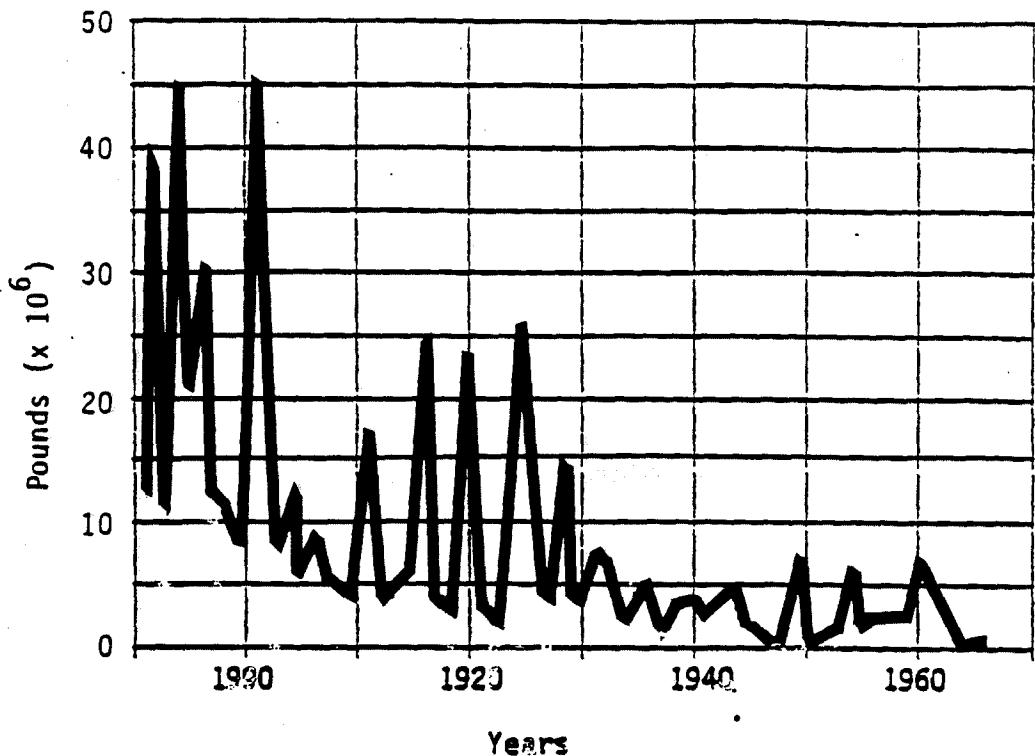

Figure A-13. Lower Columbia River landings of sockeye salmon (Beiningen 1976a; ODFW 1984a).

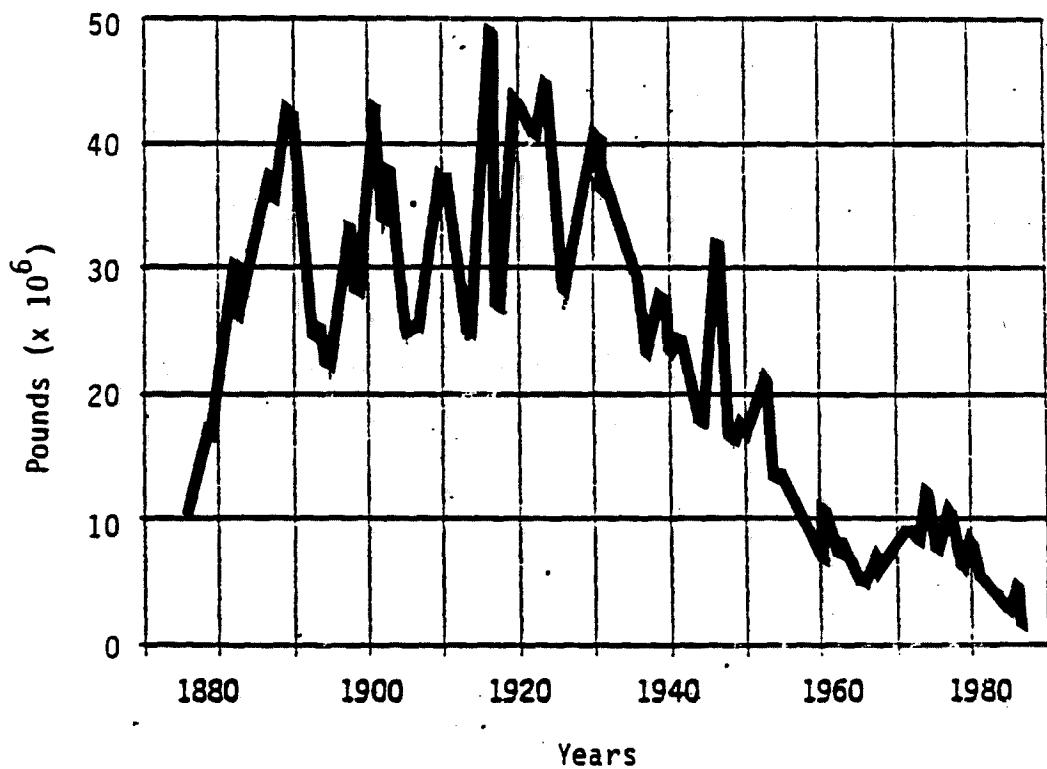

Figure A-14. Lower Columbia River total landings of all salmonids (Beiningen 1976a; ODFW 1984a).

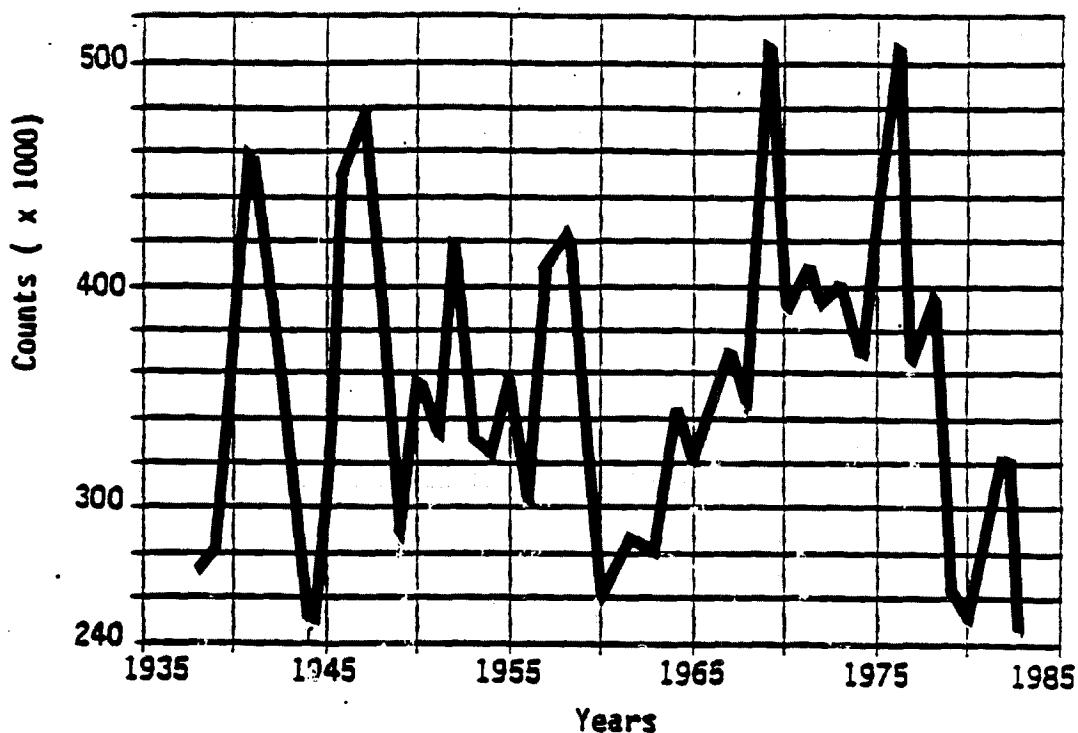

Figure A-15. Counts of chinook salmon at Bonneville Dam (Year of initial service - 1938) (COE 1983).

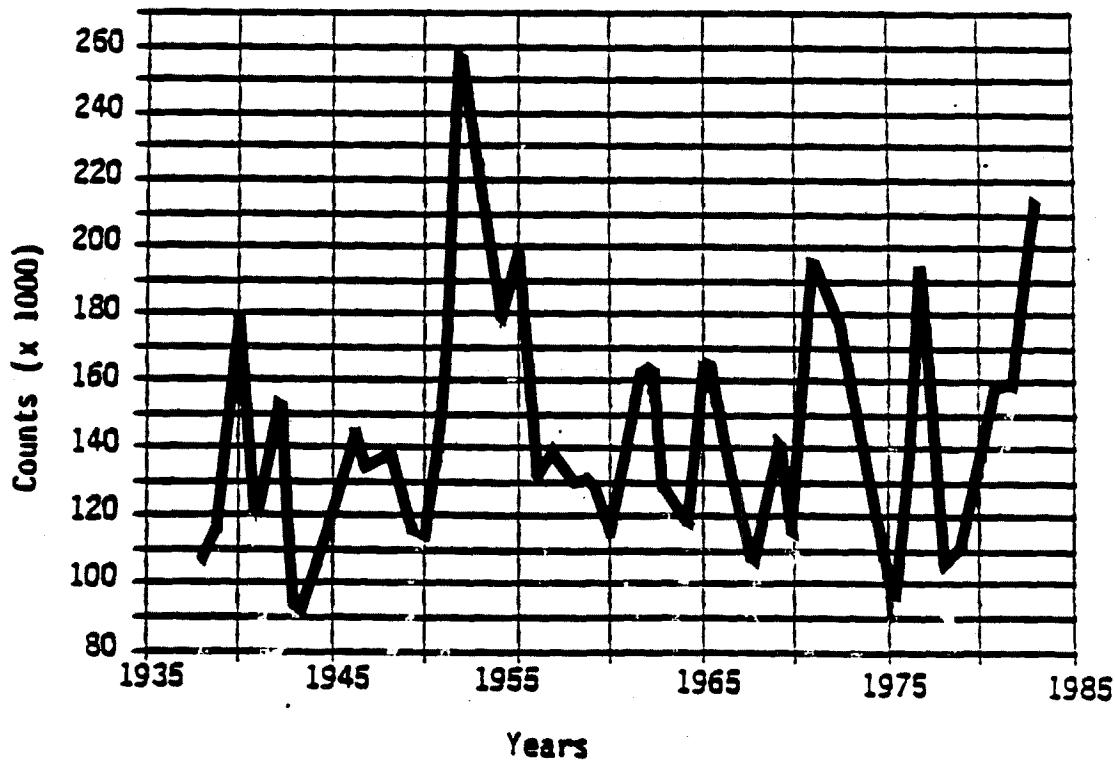

Figure A-16. Counts of steelhead trout at Bonneville Dam (Year of initial service - 1938) (COE 1983).

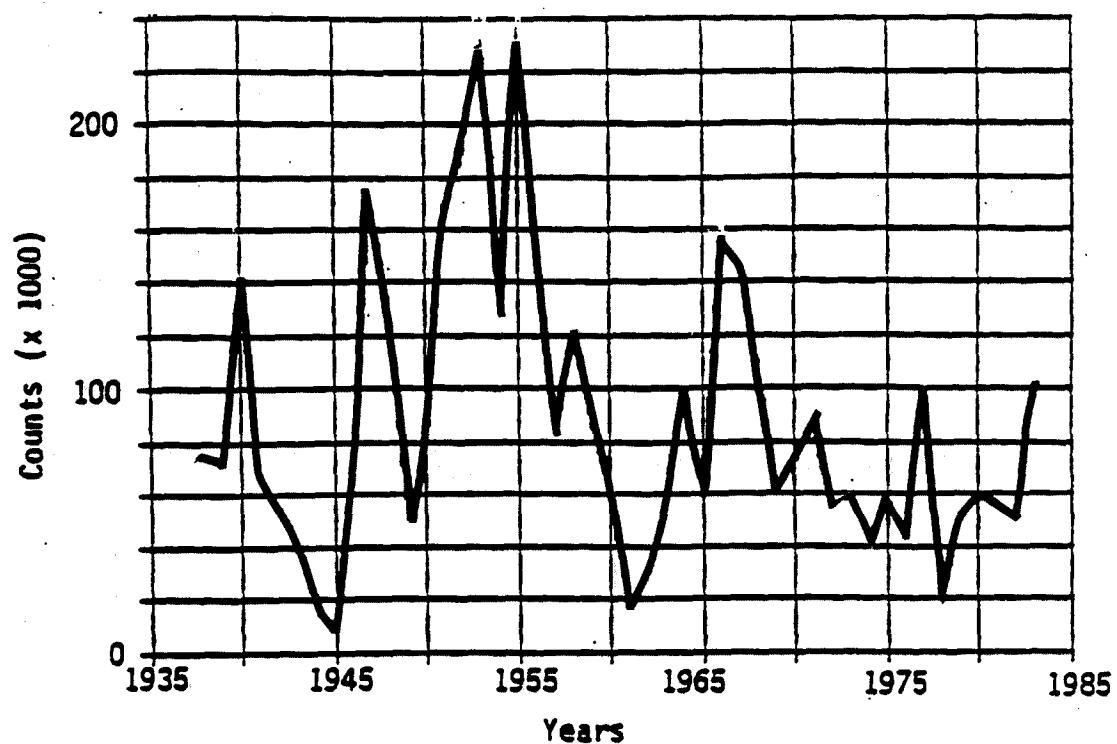

Figure A-17. Counts of sockeye salmon at Bonneville Dam (Year of initial service - 1938) (COE 1983).

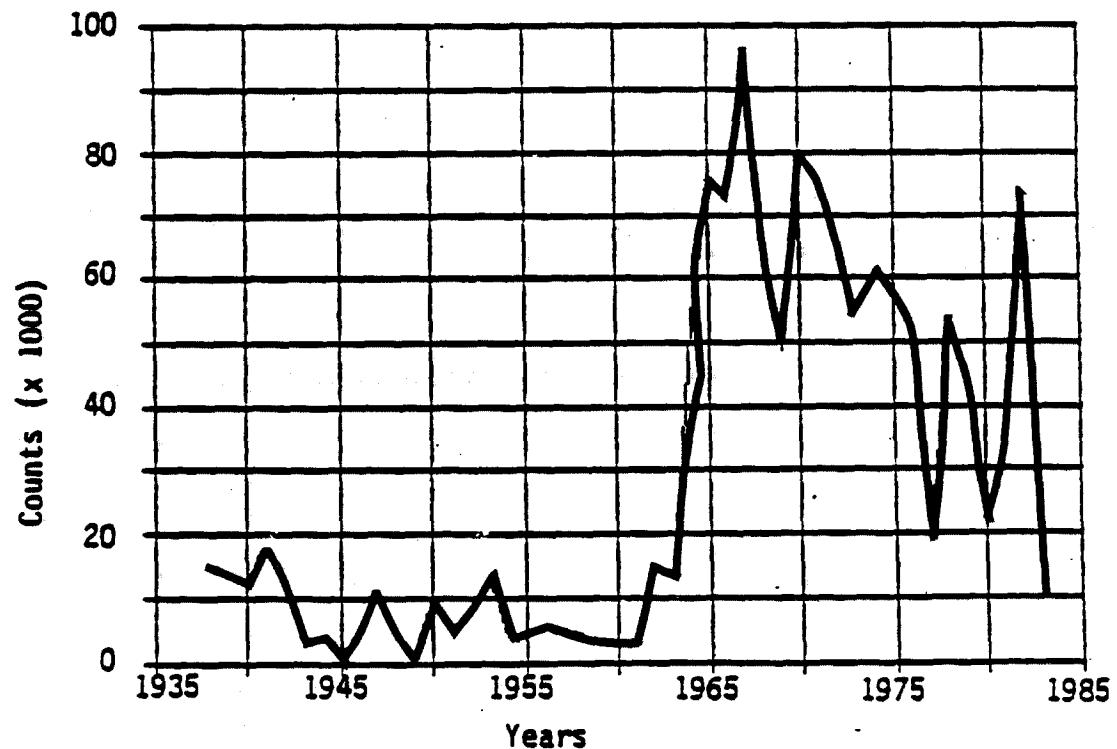

Figure A-18. Counts of coho salmon at Bonneville Dam (Year of initial service - 1938) (COE 1983).

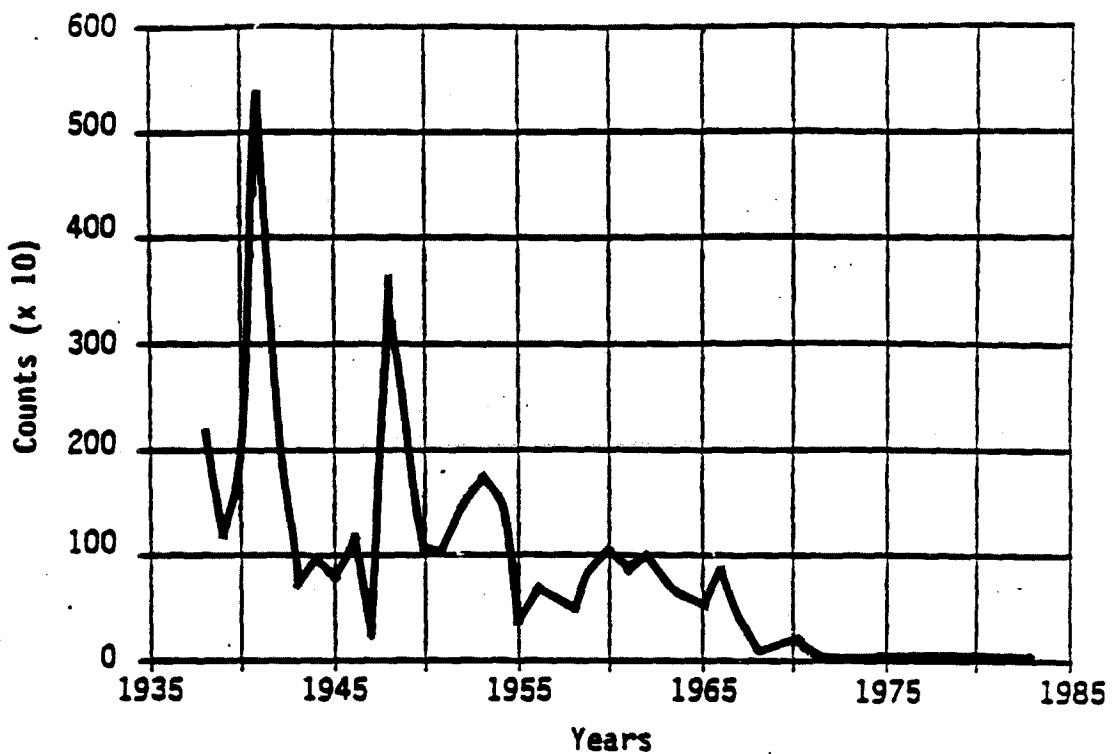

Figure A-19. Counts of chum salmon at Bonneville Dam (Year of initial service - 1938) (COE 1983).

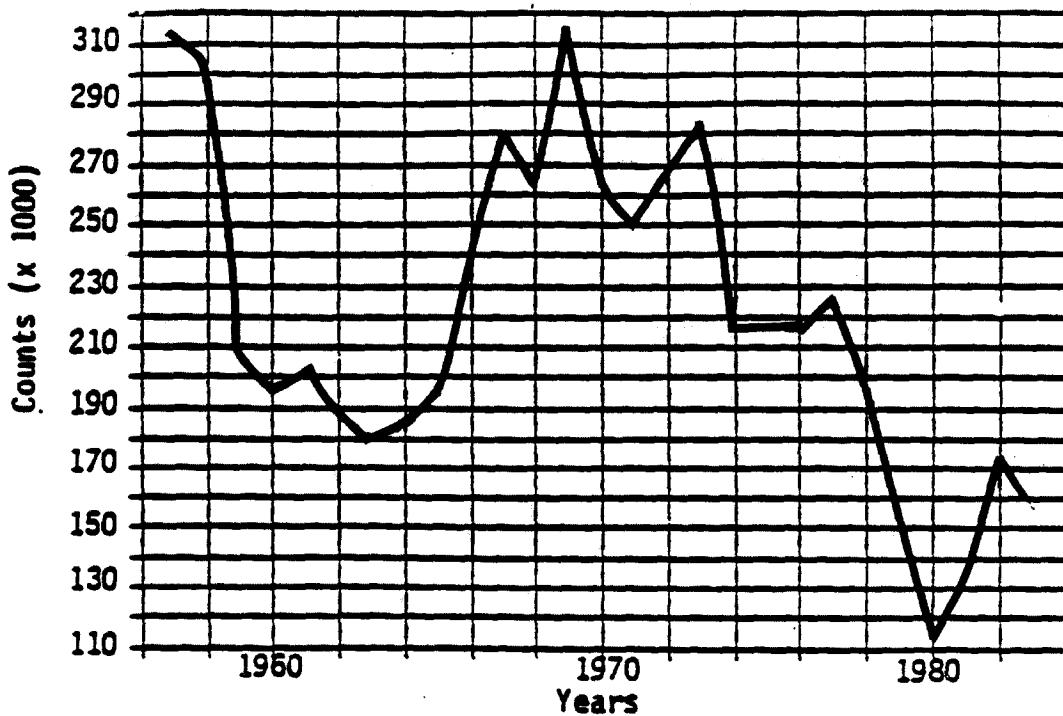

Figure A-20. Counts of chinook salmon at The Dalles Dam (Year of initial service - 1957) (COE 1983).

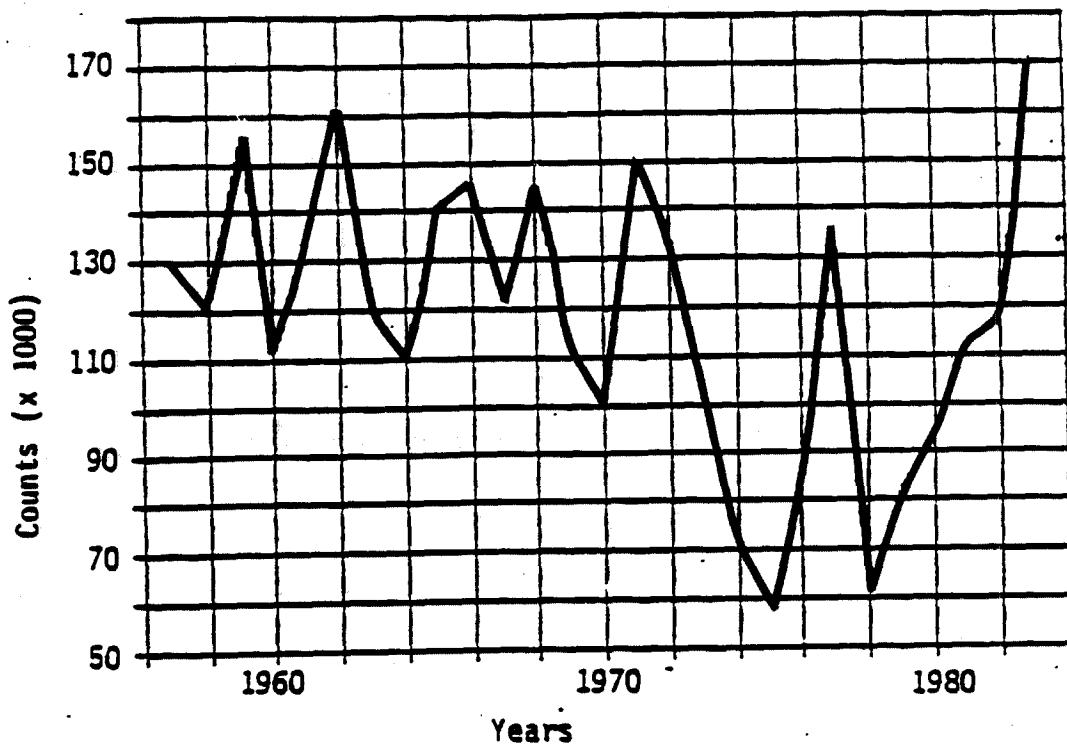

Figure A-21. Counts of steelhead trout at The Dalles Dam (Year of initial service - 1957) (COE 1983).

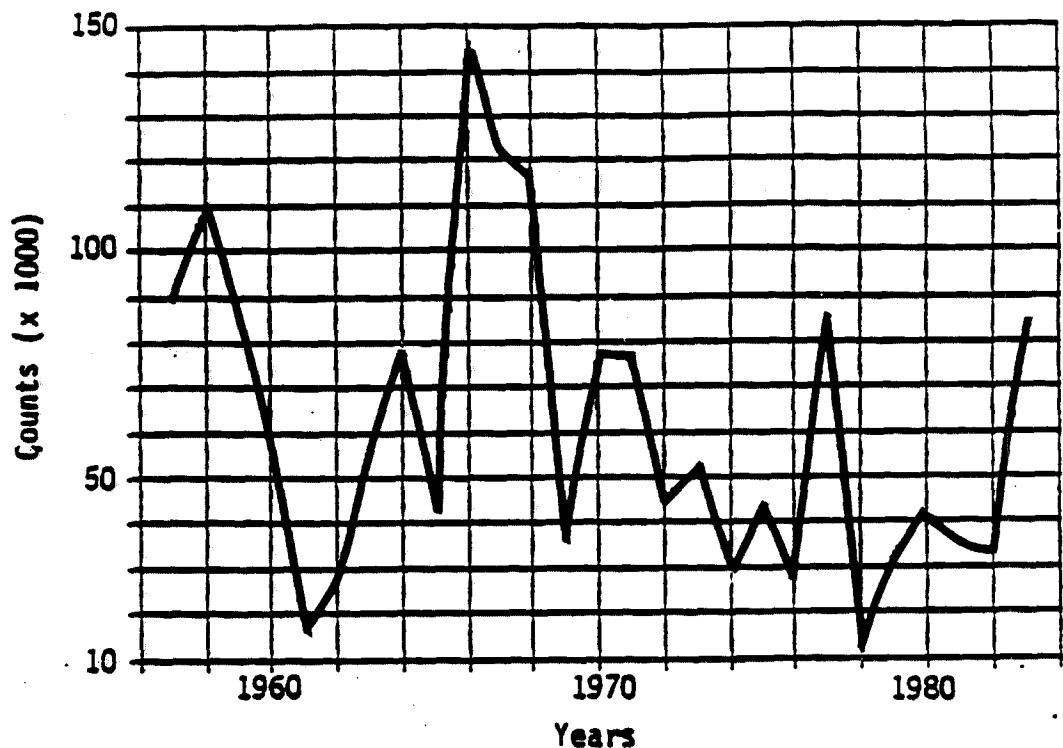

Figure A-22. Counts of sockeye salmon at The Dalles Dam (Year of initial service - 1957) (COE 1983).

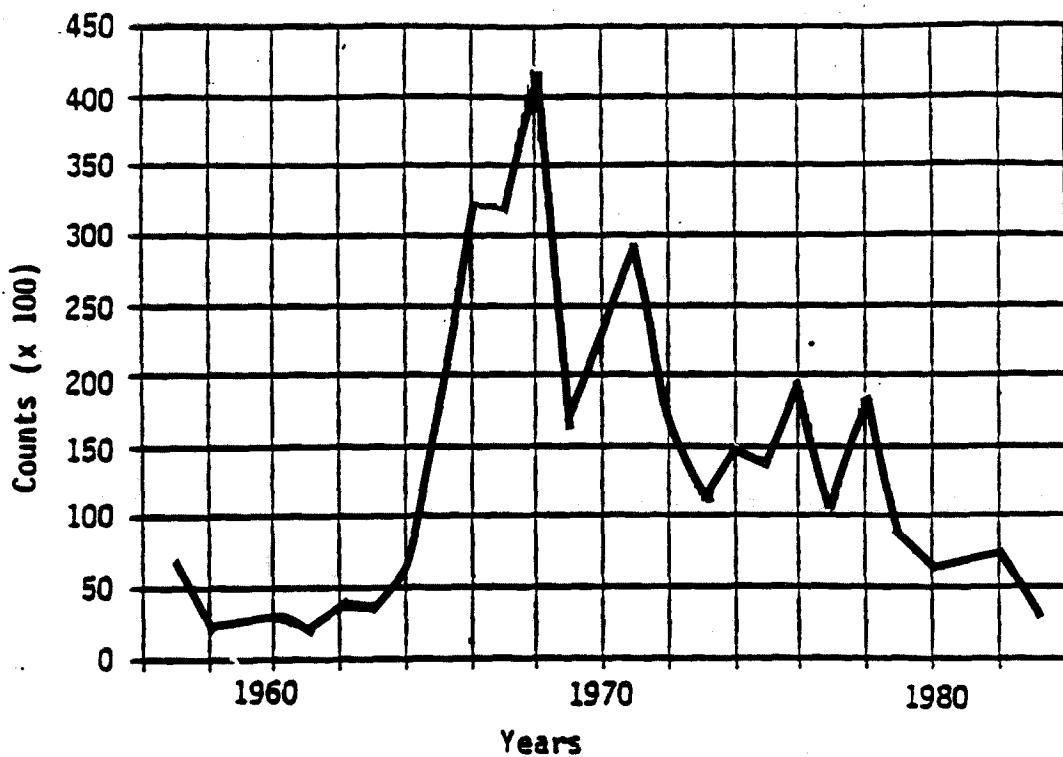

Figure A-23. Counts of coho salmon at The Dalles Dam (Year of initial service - 1957) (COE 1983).

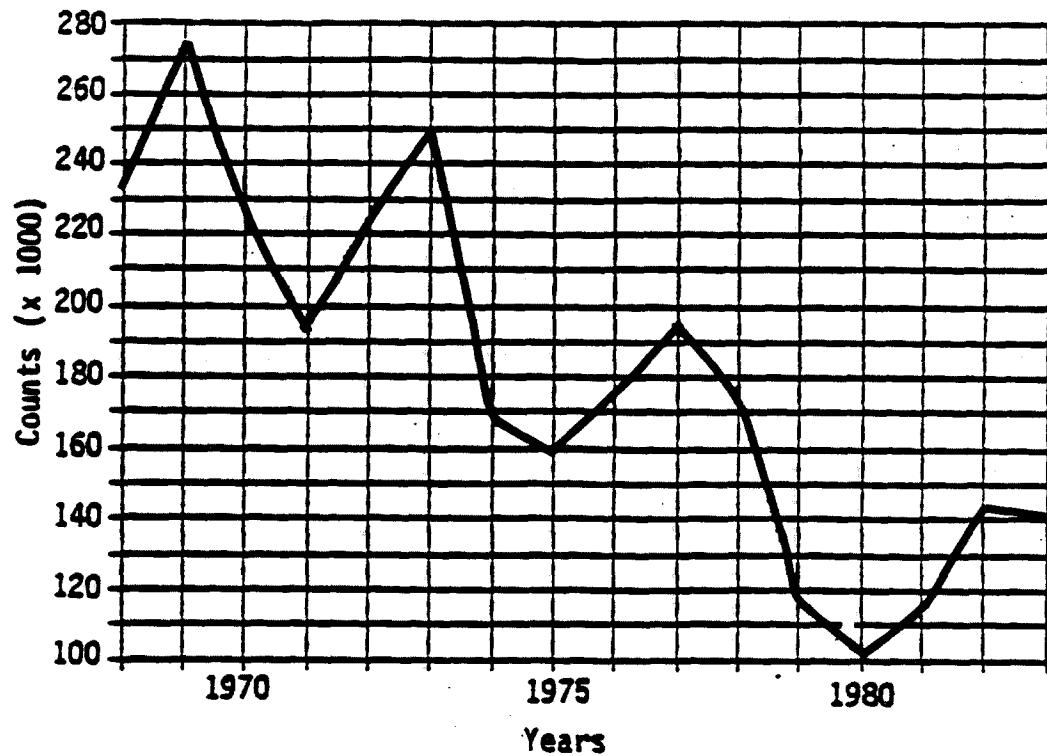

Figure A-24. Counts of chinook salmon at John Day Dam (Year of initial service - 1968) (COE 1983).

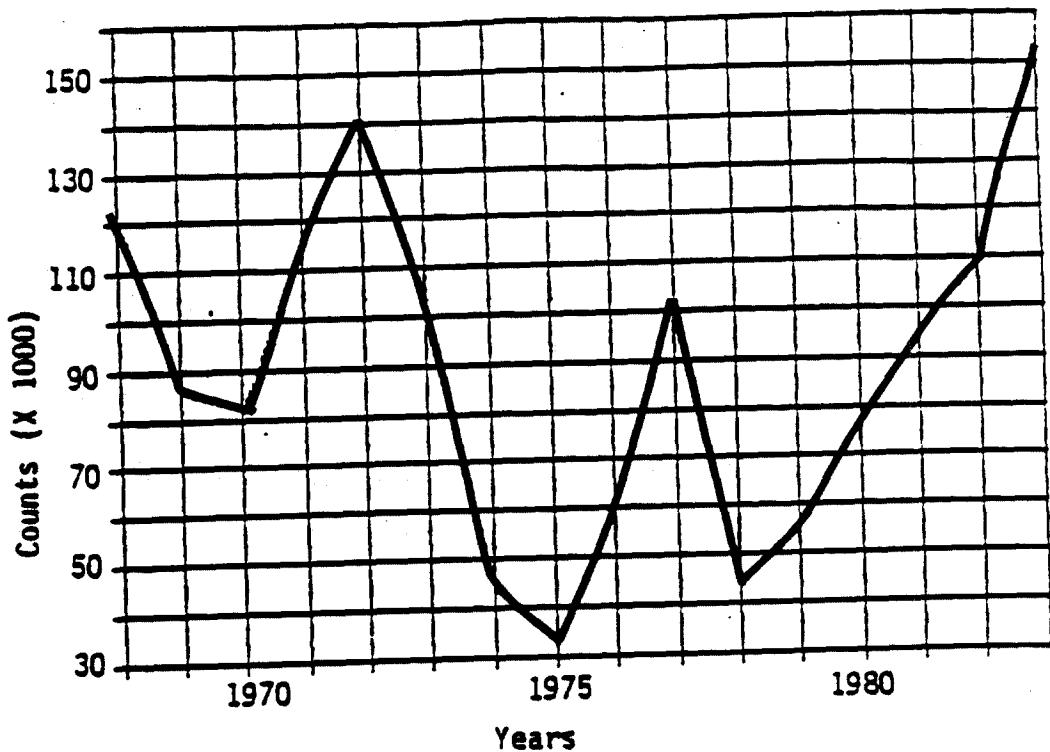

Figure A-25. Counts of steelhead trout at John Day Dam (Year of initial service - 1968) (COE 1983).

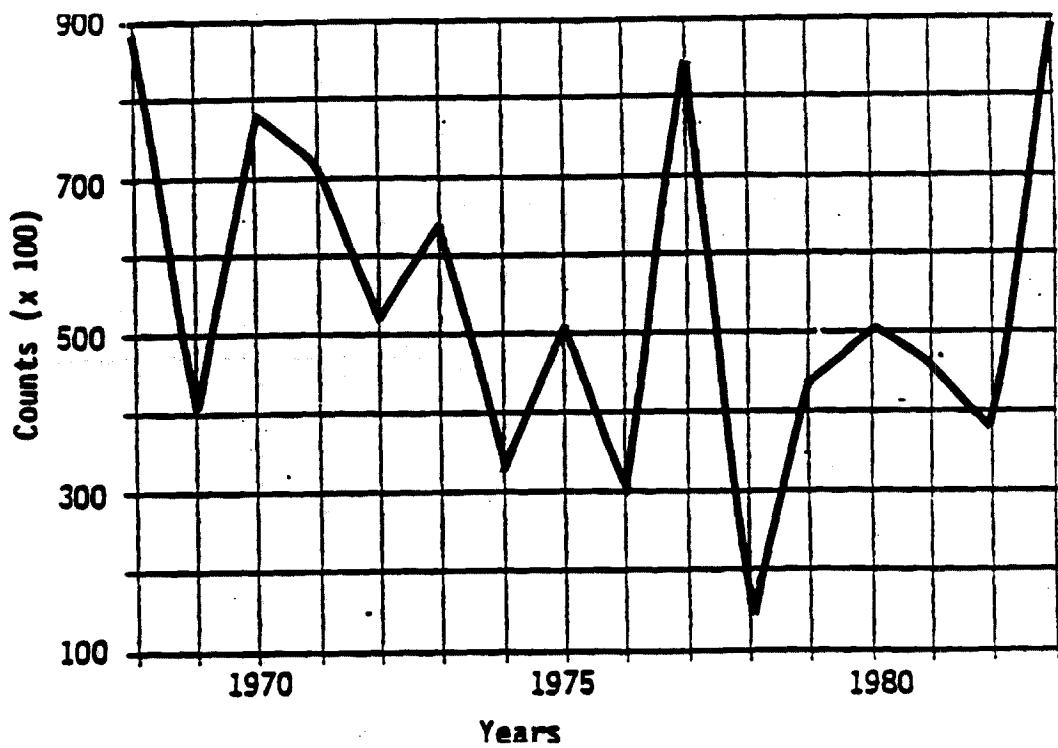

Figure A-26. Counts of sockeye salmon at John Day Dam (Year of initial service - 1968) (COE 1983).

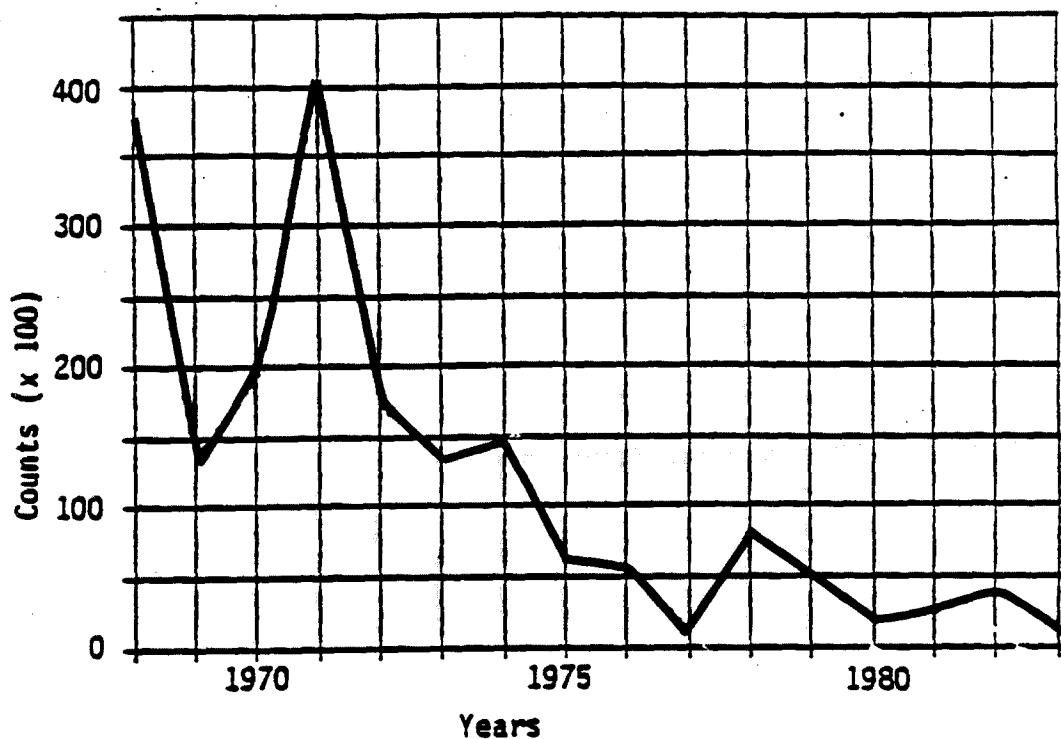

Figure A-27. Counts of coho salmon at John Day Dam (Year of initial service - 1968 (COE 1983).

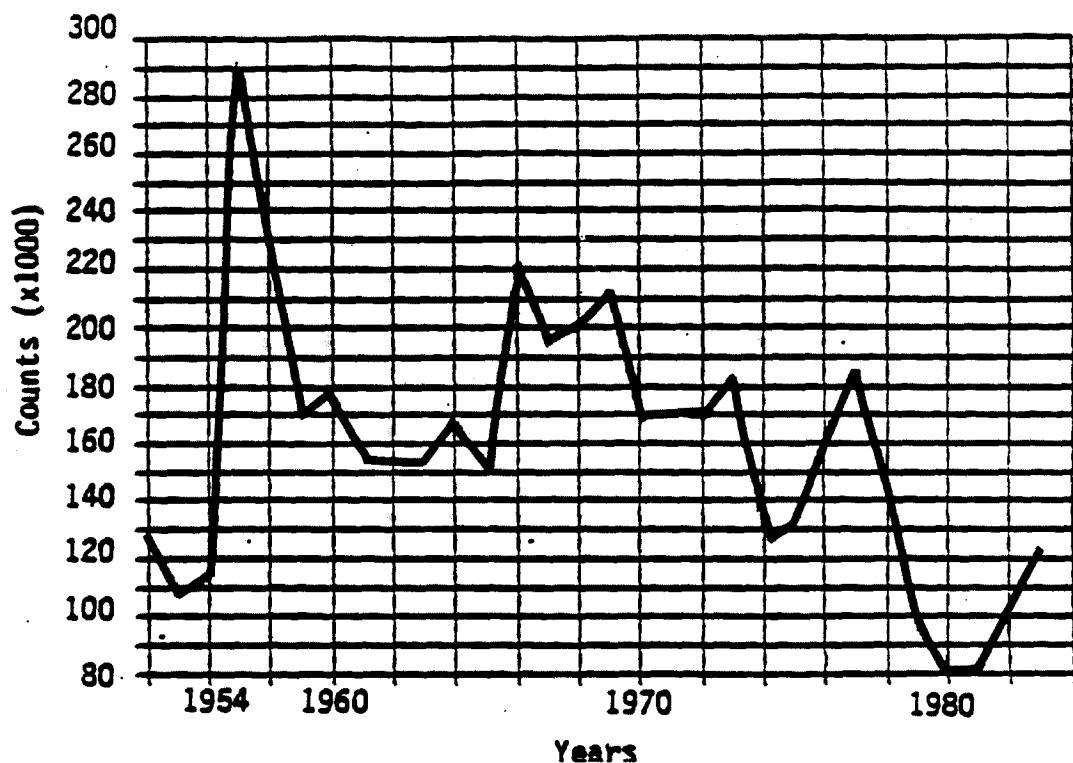

Figure A-28. Counts of chinook salmon at McNary Dam (Year of initial service - 1953) (COE 1983).
